Dear Hedy:

It was a pleasure to meet you at Bruce's office last week, and I am excited to be a part of the coming together of what hopefully will be a new chapter of the ACLU for Memphis and greater West Tennessee.

I am currently working on "the list" of people to try to inaugurate this push. Please give me a call at the above number at your convenience to add direction and a timetable to my efforts.

Looking forward to working with you in the future.

Sincerely,

  
Andrew C. Branham
