**RE: ACLU Revitalization in Memphis**

The ACLU has come back to town! We now have a core group of people who are meeting and re-forming the Memphis chapter. Here's the latest:

- 1) We have met twice and **plan to meet again on June 9, from 2:00-4:00, at Wyatt, Tarrant and Combs, which is in the Crescent Center.** The address is 6075 Poplar, Suite 650. Please enter the building through the West entrance off the garage behind the building. You will be asked to sign in in the building before taking the elevator to the 6th floor.
- 2) **We are having weekly informal breakfasts at various places, just to talk about issues.** Please consider joining us any Thursday, at the locations listed on the other side.
- 3) We plan to have a program in the Fall, probably on a school prayer issue, but we need your help!

Please review the enclosed self-addressed postcard, and indicate your committee preference. We hope to get everyone active in something, depending on their interest.

We look forward to seeing you on June 9th and any Thursday for breakfast!
