Dear Gang:

As you each have probably guessed by now, our kick-off event will not take place on Sunday, March 12, 1995. Several of you had previously scheduled trips at that time. In addition, we have yet to secure a home in which to have the event. I have one person in mind to approach, and will do so within the next week. If you have any ideas of other places, please call me as soon as you can.

Please do not let the delay in getting this off the ground affect anyone's excitement. I am very hopeful that we will be able to build a strong chapter here in Memphis, with quality programming for the entire community. I will send another letter soon, to convey a definite date for our event as well as a place.

Thank you all for sticking with this.

Very truly yours,

Sheri Lipman
