**PLAINTIFF’S MOTION TO FILE UNDER SEAL**

---

Pursuant to the Protective Order (Docket No. 52) agreed to by the parties and entered by the Court, intervening Plaintiff ACLU of Tennessee, Inc. (“Plaintiff”) files this Motion to File Under Seal. Plaintiff seeks to file a response to Defendant’s Motion for Summary Judgment (Doc. No. and Response to Defendant’s Statement of Undisputed Facts and all attached Exhibits pursuant to the Protective Order, requests that the Court review the proffered evidence and determine whether testimony or documents should continue to be treated as confidential information.

1. The parties entered an agreed Protective Order on October 12, 2017, which, to facilitate discovery, allowed both parties to designate documents and deposition testimony as Confidential or Attorney’s Eyes Only. Under the protective order, the receiving party must treat designated documents as confidential. In the case that evidence is used in a pretrial motion, the

designating party may request that the material be filed underseal to allow the court to “determine whether the proffered evidence should continue to be treated as confidential information.” (Protractive Order, ¶ 13.).

2. All documents discussed or filed with Plaintiff’s responses have been designated as confidential or Attorney’s Eyes only. For the reasons set forth in its first Motion to File Under Seal which accompanied its Motion for Summary Judgement and its responses to Defendant’s Motion to Allow Filing under Seal and to Hold Plaintiff’s Motion in Abeyance, does not believe that the documents should be sealed.

3. Pursuant to the Protective Order, Defendant is entitled to request that this information remain under sealed.

WHEREFORE, Plaintiff asks that, pursuant to the Protective Order, the Court review the evidence and pleadings and determine whether such documents such continue to be treated as confidential.

Respectfully submitted,
